## INSTRUCTIONS:

Use a thick pen or marker to draw your proposed district boundaries. The 2020 total population for each population unit is shown on the map.

**Each of the four (4) districts should have about 15,330 residents.** A balanced map will have no more than a difference of 1,533 between the largest and the smallest districts.

Submit your completed map in person or by email to [city.clerk@cityofsanrafael.org](mailto:city.clerk@cityofsanrafael.org).

*An electronic version of this map that allows you to zoom in for more detail is available at [redistrictsanrafael.org](http://redistrictsanrafael.org)*
